

COUNTY OF TULARE, WOODVILLE SOLID WASTE LANDFILL, Tulare County

About four miles northwest of Woodville, the facility contains one existing, unlined waste management unit (Unit IA) covering about 57 acres and one existing lined waste management unit (Unit IB) covering about eight acres. Unit IA began receiving wastes in 1960 and is currently receiving wastes. Unit IB began receiving wastes in 1999. The estimated closure date of Units IA and IB is 2010. Surface drainage is toward Elk Bayou in the Kaweah Delta Hydrologic Area (558.10) of the Tulare Lake Hydrologic Basin. The waste discharge requirements are being revised for the purpose of making minor modifications to the prohibitions, specifications, and monitoring and reporting program. (VSM)
